

# Summer Time Love

Juan Karlos Labajo

This summer's gonna be  
Our most perfect harmony  
Can't wait to see you next to me  
I've been waiting patiently  
I get nervous everytime  
I think of you and me together  
I can't stand it no more

(Oh, oh, oh)  
I'll never let this go and I say  
(Oh, oh, oh)  
Can't wait to see your smile once more

My summer time love  
I've been waiting patiently  
We both know that we've been waiting  
For the summer time love  
My summer time love  
I've been dying too see you  
And I've been spending my nights  
Writing some songs about you

Ohh...  
Yeah...

This summer's gonna be  
Our most perfect harmony  
Just a kiss from you will last for weeks  
But I want more  
I want to feel your arms around me  
Hold you tight and kiss you slowly  
Like the ending of a love story movie

(Oh, oh, oh)  
I'll never let this go and I say  
(Oh, oh, oh)  
Can't wait to see your smile once more

My summer time love  
I've been waiting patiently  
We both know that we've been waiting  
For the summer time love  
My summer time love  
I've been dying too see you  
And I've been spending my nights  
Writing some songs about you

This summer's gonna be  
Our most perfect harmony  
Can't wait to see you next in me  
My summer time love  
I can't wait to hold you tightly  
Never before

My summer time love  
I've been waiting patiently  
We both know that we've been waiting

For the summer time love  
My summer time love  
I've been dying to see you  
And I've been spending my nights  
Writing some songs about you

My summer time love  
I've been waiting patiently  
We both know that we've been waiting  
For the summer time love  
My summer time love  
I've been dying to see you  
And I've been spending my nights  
Writing some songs about you
