

# Señorita

Juan Luis Guerra

I've been shot  
In the wherewithalls  
And I don't think I can stop  
From all this hullabaloo  
Mary jane's  
On the game again  
Seratonin's all I use  
I just wish it were true  
Don't treat me like a God  
Treat me like a dog  
I'll come home to you  
To you  
I'm addicted to you  
You're my love my senorita  
I'm addicted to you  
Hope were gonna pull through  
I'm addicted to you  
You're the love that makes me younger  
I'm addicted to you  
Hope were gonna pull through  
Pull through Sing a prayer  
Lonely nights are here  
If I can't square my fears  
With what I want to do  
Don't treat me like a God  
Treat me like a dog  
I'll be good to you  
To you  
I'm addicted to you  
You're my love my senorita  
I'm addicted to you  
Hope were gonna pull through  
I'm addicted to you  
You're the God that makes me stronger  
I'm addicted to you  
Hope were gonna turn blue  
Turn blue
