'Tamos arriba, 'tamos pagando lo' bills  
This worldwide, hustlin' the rings  
Vivo la vida como quiero a mi manera  
No me intoxica tu valiente jodedera  
Vengo de un barrio y conseguí to' lo que quiera  
Ahora de rico comparto con mi perrera

Baila la cumbia en Colombia  
Sigo la rumba curo mi' pena'  
Reggae en las calles de Cartagena  
Deja lo malo (sácalo fuera)

Hola bonita, my señorita, you looking pica in my casita  
Hay fuego en la cocina, cuida'o, badow I see ya  
Where you from, Ibiza? She say "Palma Mallorca"  
She wanna ride in my Porsche-a  
Lost my passport-a, feelin' Lil Mama aura  
Low-key ready to explore her  
Her baddie is a baddie, she more than that with a fatty  
Wanna hop in the Cadi', in L.A call me daddy  
That's a fantasy, got me in it in the kitchen  
Now she's after me, Colombiana, like a half a key  
She on her knees with no limits, like Master P  
I show her the big picture, that's a masterpiece

Uno, dos, tres, cuatro  
I can set you free with the key, El Chapo  
She's a masterpiece, mix-breed Mulata

You wanna rock with me, I'm a G, a shotta  
We leave from Miami as one  
You and your friends come have fun  
We'll see the Bahamas and Cuba  
Eat, swim, jet ski and scuba  
Life should be one big party  
The final destination's your body  
I'll do you like no one does
