

# Holy

Juanita Bynum

You are holy  
Oh so holy  
You are holy  
Oh so holy  
What a privilege and a honor  
To worship at Your throne  
To be called into Your presence as Your own

You are holy  
Oh so holy  
You are holy  
Oh so holy  
What a privilege and a honor  
To worship at Your throne  
To be called into Your presence as Your own

You are faithful  
Oh so faithful  
You are faithful  
Oh so faithful  
What a privilege and a honor  
To worship at Your throne  
To be called into Your presence as Your own

You are faithful  
Oh so faithful  
You are faithful  
Oh so faithful  
What a privilege and a honor  
To worship at Your throne  
To be called into Your presence as Your own

Holy (Yes you are, You're so holy)  
You're holy (there's none like You nowhere, You're Holy God)  
You're holy (You're high and lifted up, You're Holy)  
You're holy (and that's why we cry)  
Holy, holy, holy  
Lord God almighty  
You're holy (yes You are, You're so holy)  
You're holy (that's why everyday when we wake up in the morning we say)  
Early in the morning  
Our song shall rise to thee  
You're holy (Yeah, You're holy)  
You're holy (yes You are, You're not only holy but You're righteous)  
You're holy (holy and righteous)  
You're holy
