

Like The Dew

Juanita Bynum

Like the dew in the morning
gently rest upon my heart
Like the dew in the morning
May it rest upon my heart.

Rest, we say rest,
Come on and rest, we say rest.

Reign, we say reign
Come on and reign,
We say reign
move, we say move,
Come on and move,
We say move

Rest, move, yes, rest, reign, move, yes, rest

Like the dew in the morning
gently rest upon my heart
Like the dew in the morning
May it rest upon my heart.
