Shake Us Again

Juanita Bynum

[Chorus:]
Shake us again,
shake us again,
only You can shake us again.

Shake us again,
shake us again,
only You can shake us again.

[Verse 1:]
Early in the morning, before the break of day,
take Your loving hands and shake us again.
Shake us with Your glory, as bright as the morning star,
Lord, don't forsake us, but shake us again.

[Chorus]

[Verse 2:]
Sometimes I feel like Job, broken asunder,
shaken to pieces, set up for the mob.
But Lord you know what's best,
to get us through our test,
and we wont rebel as You shake us again.

[Chorus]
