

I Need A Bag

Jucee Froot

Don't you talk to me nigga
You ain't talking enough
And if you tell them that you hit
Then you talking too much
Only fuck with real bitches
We be fuckin shit up
And niggas try to call me extra
My hair cost too much
I need a bag
I need my hair and my nails did
I need a bag
What's a boss bitch without a Benz
I need a bag
20 inches on my minks
I need a bag
VVSs on my link
I need a bag

Hop on a jet
No lag
If a bitch keep talking that shit
I'm a go ahead and fuck her dad
I don't want no petty ass hundreds
I wipe that shit with my ass
And my ice be real real sunny
I don't even gotta use no flash
And I ain't fucking for no Birkin
Nigga ice me out
I got that water like I'm surfing
He be giving me brain
But I ain't never learning
I be switching lanes
I'm a ride it like a permit

Don't you talk to me nigga
You ain't talking enough
And if you tell them that you hit
Then you talking too much
Only fuck with real bitches
We be fuckin shit up
And niggas try to call me extra
My hair cost too much

I'm a material girl
Ice on me go burrr
Rich niggas make me purr
Broke niggas make me scared
Eat the pussy like hors d'oeuvres

Nigga pay me now like a verb
I be in my bag
But I'm in his bag
And I burn his head like a perm
With my bitches
We so pretty
Kill them hoes
No witness
Buy me Prada
Buy me Louie
Nigga buy me Fendi
Don't know how to talk
All I know is give me, give me
What the fuck you thought
Need the bag I need the benjies

Don't you talk to me nigga
You ain't talking enough
And if you tell them that you hit
Then you talking too much
Only fuck with real bitches
We be fuckin shit up
And niggas try to call me extra
