

Landslide

Judah & the Lion

I took my love and I took it down
I climbed a mountain and I turned around
And I saw my reflection in snow-covered hills
Till the landslide brought me down

Oh, mirror in the sky what is love?
Can the child within my heart rise above?
Can I sail through the changing ocean tides?
Can I handle the seasons of my life?

Well, I've been afraid of changing
'Cause I've built my life around you
But time makes you bolder
Even children get older
Well I'm getting older too

Well I've been afraid of changing
'Cause I built my life around you
But time makes you bolder
Even children
Well I'm getting older too
Well I'm getting older too

Take my love and take it down
Climb the mountain and you turn around
And if you see my reflection in the snow-covered hills
Will the landslide bring you down
And if you see my reflection in the snow-covered hills
Will the land slide?
Will the land slide?
Will the land slide?
Will the land slide?
