

# Crown of Horns

Judas Priest

I learned the hard way  
That what you dream for  
Comes from the pain you hold inside  
I'm on a long road  
There is no answer  
You have to hold the love you find  
I'd wait so helpless  
But love was waiting  
Just like an angel in the dark

Heavy is the crown of horns that rests upon this head  
Heavy is the crown of horns from all the blood he shed

The days seemed endless  
No sense of calling  
Until the daylight came to be  
I thought of rapture  
To end this capture  
Then something grew inside of me  
I found my way now  
And I am soaring  
Almost touching every star

Heavy is the crown of horns that rests upon this head  
Heavy is the crown of horns from all the blood he shed  
Heavy is the crown of horns that kept the faith so bright  
Heavy is the crown of horns that gave me all this life

I'll call out to the world tonight  
To raise your horns up high  
I'm calling to the world tonight  
To let your voices fly  
I'll call out to the world tonight  
Give thanks for we are saved  
I'm calling to the world tonight  
To never be afraid

The end of longing  
A place to rest now  
I found the answer to my prayer  
I'm on my way now  
And I am soaring  
I'm almost touching every star

Heavy is the crown of horns that rests upon this head  
Heavy is the crown of horns from all the blood he shed  
Heavy is the crown of horns that kept the faith so bright  
Heavy is the crown of horns that gave me all this life

Heavy is the crown of horns that rests upon this head  
Heavy is the crown of horns from all the blood he shed  
Heavy is the crown of horns that kept the faith so bright  
Heavy is the crown of horns that gave me all this life
