## **Devil's Child**

**Judas Priest** 

Hypnotize me, mesmerize me Feel my will-power slip Light my fire with cold desire Losing all my grip

Eat my diamonds (eat my diamonds) Drinking all my gin Feast your eyes on (feast your eyes on) A whole lotta sin

Oh no you're so damn wicked! You got me by the throat. Oh no gotcha claws stuck in me You never let me go I believe you're the devil I believe you're the devil's child

Took my dreams and now it's seems you're Nothing but a liar Smash and grab at all I had Build my funeral pyre Stop pretending (stop pretending) Got me growin' old. Your tormenting (your tormenting) Fit to snap my soul

Oh no you're so damn wicked! You got me by the throat Oh no gotcha claws stuck in me You never let me go I believe you're the devil I believe you're the devil's child

You took my heart And left it blown to smithereens I gave my body as a slave You cut my flesh And drank my blood that poured in streams I'm left here broken and ashamed

Goin' under, hear the thunder Death defying grace Your condition breeds ammuntion Shoots me in the face Vicious talkin' (vicious talkin') Stabs me like a knife Scratched and bruised (so abused) I'm a human sacrifice

Oh no you're so damn wicked! You got me by the throat Oh no gotcha claws stuck in me You never let me go I believe you're the devil I believe you're the devil's child
