

# Heavy Metal

Judas Priest

When the power chords come crashing down  
Go tearing through my senses  
It's for the strong, not for the weak  
In light and dark dimensions

It stimulates, regenerates  
It's therapeutic healing  
It lifts our feet up off the ground  
and blasts us through the ceiling

Between the eyes  
I hear it screaming  
And it electrifies  
Your inner feelings

Hot shock waves charge the air  
All heads are banging  
Fists pumping everywhere  
Guitars are cranking

Heavy Metal. Heavy Metal  
What do you want  
Heavy Metal. Heavy Metal  
What do you want

Ten thousand lights come blazing down  
With razor sharp precision  
The speakers pour out molten steel  
The beat gives double vision

An armour plated raging beast  
That's born of steel and leather  
It will survive against all odds  
Stampeding on forever

Between the eyes  
I hear it screaming  
And it electrifies  
Your inner feelings

Hot shock waves charge the air  
All heads are banging  
Fists pumping everywhere  
Guitars are cranking

Heavy Metal. Heavy Metal  
What do you want  
Heavy Metal. Heavy Metal  
What do you want
