Night Crawler

Judas Priest

Howling winds keep screaming round And the rain comes pouring down Doors are locked and bolted now As the thing crawls into town

Straight out of hell One of a kind Stalking his victim Don't look behind you

Nightcrawler Beware the beast in black Nightcrawler You know he's coming back Night crawler

Sanctuary is being sought Whispered prayers a last resort Homing in its' cry distorts Terror struck they know they're caught

Straight out of hell One of a kind Stalking his victim Don't look behind you

Nightcrawler Beware the beast in black Nightcrawler You know he's coming back Night crawler

As night is falling
The end is drawing near
They'll hear
Their last rites echo on the wind

Huddled in the cellar
Fear caught in their eyes
Daring not to move or breathe
As the creature cries
Fingernails start scratching
On the outside wall
Clawing at the windows
"come to me" it calls
Atmosphere's electric
As it now descend the stairs

Hiding in the darkness
Is so futile from its glare
Death comes in an instant
As they hoped it would
Souls ascend to heaven
While it feasts on flesh and blood
