

Wheels of Fire

Judas Priest

Born on the other side
Of the track
Gotta get outta here
I won't look back

Born on the other side
Wild as a hurricane
Living in overdrive

Wheels of fire
In my soul
Wheels of fire
Wheels of fire, let 'em roll

Too fast to give a damn
Stand my ground
No one or anything
Can tie me down

Born on the other side
Wild as a hurricane
Living in overdrive

Wheels of fire
In my soul
Wheels of fire
Wheels of fire, let 'em roll

Ride to live
Live to ride
Wheels of fire, forever

Born on the other side
Wild as a hurricane
Living in overdrive

Wheels of fire
In my soul
Wheels of fire
Wheels of fire, let 'em roll

Wheels
Wheels of fire
...
