

Monaco

Jude York

Take me back, back to Monaco
Back to summer nights turned to summer ghosts
And I hate to lose you, but I had to go
Till you pull me back, back to Monaco (Hey)

I could see the end even as we were just beginning, yeah yeah
Doo-doo-doo, doo-doo-doo
Every night, I dance, every emotion bright and vivid, yeah, yeah
Doo-doo-doo, doo-doo-doo

Days turn to months, burn to dust
It was over in just a minute
You never know what you got when you're in it
(Un, deux, trois)

Take me back, back to Monaco
Back to summer nights turned to summer ghosts
And I hate to lose you, but I had to go
Till you pull me back, back to Monaco
Take me back, back to Monaco
Back to summer nights turned to summer ghosts
And I hate to lose you, but I had to go
Till you pull me back, back to Monaco (Hey)

Well, I still see your face, I see the waves crash on the ceiling, an

(Doo-doo-doo) Oh (Doo-doo-doo)
I just wish you the best, there's nowhere left to put this feeling no
w
Ohh

I couldn't stay forever, but maybe I just wanted you to [?] to stay t
ogether
But no matter how hard I spin it
You never know what you got when you're in it

Take me back, back to Monaco
Back to summer nights turned to summer ghosts
And I hate to lose you, but it's years ago
And you found someone else, at least you told me so
Take me back

Take me back, back to Monaco
Back to summer nights turned to summer ghosts
And I hate to lose you, but I had to go
Till you pull me back, back to Monaco

Monaco...
