

## Just Like A Woman

Judy Collins

Nobody feels any pain  
Tonight as I stand inside the rain  
Everybody knows baby's got new clothes  
Lately I see her ribbons and her bows  
Have fallen from her curls

She takes just like a woman, yes, she does  
She makes love just like a woman, yes, she does  
She aches just like a woman  
But she breaks just like a little girl

Queen Mary, she's my friend  
Yes, I believe I'll go see her again  
Nobody has to guess that baby can't be blessed  
'Til she finally sees that she's like all the rest  
With her fog, her Amphetamine and her pearls

She takes just like a woman, yes, she does  
She makes love just like a woman, yes, she does  
She aches just like a woman  
Ah, but she breaks just like a little girl

It was raining from the first  
And I was dying there of thirst, so I came in here  
And your long time curse hurts  
But what's worse is this pain in here  
I can't stand here, ain't it clear?

That I just can't fit  
I believe it's time for us to quit  
When we meet again, introduced as friends  
Please don't let on that you knew me when  
I was hungry and it was your world

You fake just like a woman, yes, you do  
You make love just like a woman, yes, you do  
You ache just like a woman  
Ah, but you break just like a little girl  
Just like a little girl, just like a little girl  
And you break just like a little girl
