

Marie

Judy Collins

You looked like a princess the night we met
With your hair piled up high, I will never forget
I'm drunk right now, baby, but I've got to be
Or I never could tell you what you mean to me

But I loved you, I loved you the first time I saw you
And I always will love you, Marie
I loved you, I loved you the first time I saw you
And I always will love you, Marie

You're the song that the trees sing, when the wind blows
You're a flower, you're a river, you're a rainbow
Sometimes I'm crazy but I guess you know
I'm weak and I'm lazy and I've hurt you so
I don't listen to a word you say
And when you're in trouble I turn away

But I loved you, I loved you the first time I saw you
And I always will love you, Marie
I loved you, I loved you the first time I saw you
And I always will love you, Marie....
