

## Spanish Is the Loving Tongue

Judy Collins

Broke her heart, lost my own  
Adios, Mi corazon  
Spanish is the loving tongue  
Soft as music, light as spray  
T'was a girl I learned it from  
Living down Sonora way  
I don't look much like a lover  
Still I say her loved words over  
Mostly when Im all alone!  
Mi amor, Mi corazon  
Haven't seen her since that night  
I can't cross the line you know  
Wanted for a gambling fight  
Like as not its better so  
Still I've always kind of missed her  
Since that last sad night I kissed her  
Broke her heart, lost my own  
Adios, Mi corazon  
Broke her heart, lost my own  
Adios, Mi corazon  
Adios, Mi corazon
