I'm Just Wild About Harry

Judy Garland

I am here to state I'm here to relate To explain and make it plain that: I`m just wild about Harry and Harry's wild about me;

The heavenly blisses of his kisses fill me with extasy. He's sweet just like sugar candy and just like honey from a bee; oh, I`m just wild about Harry and he's just wild about Harry and he's just wild about, he can't do without, he's just wild about me Oh I`m just wild about Mandy, and Mandy's wild about me Oh, I`m just wild about Harry and Harry's wild about me.

The heavenly blisses of his kisses fill me with extasy. He's sweet just like sugar candy, and just like honey from a bee; Oh, I`m just wild about Harry and he's just wild about me.
