

## Just Imagine

Judy Garland

Just imagine  
That he loves me dearly.  
Just imagine  
That I'm here sincerely.  
I'm pretending  
That he's sending  
Love note ending  
"I love you!".

Seems that he's there  
As the day is closing;  
On his knees there,  
I hear him proposing!  
He's not present,  
Still it's pleasant,  
Just imagine that it's true.

Seems that he's there  
As the day is closing;  
On his knees there,  
I hear him proposing!  
Till I win you,  
I'll continue  
To imagine that it's true.
