

Eye Of A Hurricane

Juice Newton

Oh, love, you know me by now
When it's rough, we'll ride it out
And my love is never gonna hurt you
And my love is gonna be your shelter from the storm

In the eye of a hurricane
Where you're safe from the diamond rain
Where no winds don't blow
Our love will remain
In the eye of a hurricane

Oh, time is easily wasted
And love can be mistaken
Everybody, everybody makes some...
So please let me take you where you should be taken

In the eye of a hurricane
I'll keep you safe from the diamond rain
Where no winds don't blow
And our love will remain
In the eye of a hurricane

In the eye of a hurricane
I'll keep you safe from the diamond rain
Where no winds don't blow
And our love will remain
In the eye of a hurricane

In the eye of a hurricane
I'll keep you safe from the diamond rain
In the eye of a hurricane
I'll keep you safe from the diamond rain
In the eye of a hurricane
I'll keep you safe from the diamond rain
In the eye of a hurricane
I'll keep you safe from the diamond rain
