

Stuck in the Middle With You

Juice Newton

Well I don't know why I came here tonight
I've got a feeling that something ain't right
I'm so scared in case I fall off my chair
And I don't know how I'll get down the stairs

Well it's clowns to the left of me, jokers to the right
Here I am stuck in the middle with you
Yes I'm stuck in the middle with you

And I'm wondering what it is I should do
It's so hard to keep this smile on my face
When I'm going all over the place

Clowns to the left of me, jokers to the right
Here I am stuck in the middle with you

When you started off with nothing
And you're proud that you're a self-made man
And your family comes all crawling
Slaps you on the back and saying
Please, please

(Repeat)

Trying to make some sense of it all
But I can see it makes no sense at all
Is it cool to go to sleep on the floor
I don't think I can take anymore

Well, clowns to the left of me, jokers to the right
Here I am stuck in the middle with you
Ooh, stuck in the middle with you
Yeah, stuck in the middle with you
Here I am stuck in the middle with you
Here I am stuck in the middle with you
Yes I am stuck in the middle with you
Yeah, stuck in the middle with you
Ooh, stuck in the middle with you
