

## Tell Me True

Juice Newton

Tell me, baby, tell me true  
Do you want me like I want you?  
Well, I never I hurt you or make you blue  
So tell me, baby, tell me true

Hold me, baby, hold me tight  
Whisper words of love tonight  
Well, I'll wear your ring, keep it shining bright  
So hold me, baby, hold me tight

I'll never let you down, I'll never do you wrong  
I'll always be around for you to lean on  
I'll never break your heart, I'll never make you cry  
I'll always be right here to keep you satisfied  
Love me, baby, love me now

Let me be the one, please show me how  
Well, I'll never leave you or break this vow  
So love me, baby, love me now

Tell me, baby, tell me true  
Do you want me like I want you?  
Well, I never hurt you or make you blue  
So tell me, baby, tell me

Tell me, baby, tell me true  
Do you want me like I want you?  
Well, I never hurt you or make you blue  
So tell me, baby, tell me true  
Tell me true  
Tell me true  
Tell me true

Tell me true  
Tell me true  
Tell me true  
Tell me true
