Mega, you played that boy

Ayy, smoke so much I think I need another lung
Ayy, fuck my liver up, I need another one
Fell in love with perkys, yeah, I love the blues
Mix it with the Henny, ain't got shit to lose
Now I'm seein' double, seein' two, seein' two
I feel like a ghost when I look at you, peek-a-boo
I get so damn high, I don't know what to do, up to you
You could be my lover and my drug too

I could show you what the drugs do
I could show you what the plug do
I'm waitin' this phone right now
Perc 30's, need 'em, come through
God damn, scratched myself to death
Choppa, Breaking Bad, just like crystal meth, nigga
I'm on yo' ass, legal like Maxi-Pad
I got harder than a nigga tryna catch a taxi cab
Call of Duty with that toolie (Huh), no lag
Gotta keep it on me, my lil' paranoid ass
It's prolly 'cause I'm too high all the damn time
It feel like everyone comin' after my life

Smoke so much I think I need another lung
Ayy, fuck my liver up, I need another one
Fell in love with perkys, yeah, I love the blues
Mix it with the Henny, ain't got shit to lose

Swerve a lot, on that bitch, I swerve a lot, yeah

I don't talk it, I walk it
Run up on me, I'm poppin'
Keep the gun in my pocket, yeah

Run up a sack, don't run out of options

Smoke so much I think I need another lung
