Already Dead

Juice WRLD

You can see the pain in my laugh (Yeah, yeah)
Demons comin' back from the past (Yeah, yeah)
Feelin' like I'm 'bout to relapse (Yeah, yeah)
Voices in my head (Yeah, yeah)
All I can hear them say (Yeah, yeah)
Is, "Everyone wants me dead" (Yeah, yeah)
Bitch, I'm already dead (Yeah, yeah)
I've been dead for years

I've been taking medicine again (Yeah, yeah)
Henny, mix it with the Vicodin (Yeah, yeah)
All my sufferin' (Yeah)
Is really gettin' under my skin (Yeah)
Maybe I should try to pray again (Yeah, yeah)
Try to wash away my sins (Yeah, yeah)
I know that they not my friends (Yeah, yeah)
But I'm friends with the drugs again (Yeah)

Lost my heart, lost it all
So much drama, hold the applause
Shit's like a soap opera, straight downfalls
Nightmares on the cellphone, late-night calls
Lost my heart, lost it all
So much drama, hold the applause
No soap opera, straight downfalls
Listen to the nightmares call

You can see the pain in my laugh (Yeah, yeah)
Demons comin' back from the past (Yeah, yeah)

Have you ever been so alone (Yeah, yeah)
That nobody's house feels like home? (Yeah, yeah)
I've been runnin' out of drugs and hope (Yeah, yeah)
I don't even got a plug no more (Yeah, yeah)
Have you ever been so alone? (Yeah, yeah)
That you don't know what to feel no more? (Yeah, yeah)
Ain't no reachin' for the pills no more (Yeah, yeah)
One more and you're on the floor (Yeah, yeah)
