

Another Way

Juice WRLD

I smoke another to the face (Ayy, ayy)
Whenever I don't feel okay (Ayy, ayy)
There's gotta be another way (Ayy, ayy)
For me to get rid of my shame (Ayy)
Take narcotics to the face (Ayy, ayy)
Fuckin' up my brain (Ayy, ayy)
My emotions in a cage (Ayy, ayy)
They can't be contained (Ayy, ayy)
They can't be contained (Ayy, ayy)
She want me out her way (Ayy, ayy)
Tryna throw away the key (Ayy, ayy)
Love is not a game, I am not ashamed (Ayy, ayy)

Bitch, I'm fucked up tryna clean the mess up
Yeah, I fucked up, yeah, I had to 'fess up
I'm a robot for her love, Alexa
When they say her name wrong it's Alexia
This is not a ordinary woman
I feel like I love her to the fullest
Cupid ain't be shooting at me with no ordinary bullets
That's my biggest problem, I feel over-hooked
Shit, I was always scared of gettin' overlooked
Consequences in my side, I wish I never looked
Breaking up, never us
Fuck the time, it's forever us (Ayy, ayy)

Whenever I don't feel okay (Ayy, ayy)
There's gotta be another way (Ayy)
For me to get rid of my shame (Ayy)
Take narcotics to the face (Ayy, ayy)
Fuckin' up my brain (Ayy, ayy)
My emotions in a cage (Ayy, ayy)
They can't be contained (Ayy, ayy)
They can't be contained (Ayy, ayy)
She want me out her way (Ayy, ayy)
Tryna throw away the key (Ayy, ayy)
Love is not a game, I am not ashamed (Ayy, ayy)
