Codependent

Juice WRLD

You say that I don't explain myself enough, so
Here's an explanation why I am the way I am
I'm drowning in my thoughts, Imix that with some wealth
And a little bit of love
A codependent 19 year old
A codependent 19 year old
My heart for your heart
Your heart for my soul
Ain't gon be easy letting go no
A codependent 19 year old
Um please don't run from me, you're so lovely
We both got demons, they're all ugly
We should defeat 'em, not that easy
I'm-I'm terrified, run for my life

See it's not that easy
I'm gonna keep you just like a secret
I got some problems to work out I need to
But it's not that easy
See it's not that easy
I'm gonna keep you just like a secret
I got some problems to work out I need to
But it's not that easy

Your kiss and your touch has me in an abyss
My mind is in your hands
Girl you're so powerful
You could even raise the dead
I'm living proof of it of it

See it's not that easy
I'm gonna keep you just like a secret
I got some problems to work out I need to
But it's not that easy
See it's not that easy
I'm gonna keep you just like a secret
I got some problems to work out I need to
But it's not that easy

Ohhh oh oh oh oh oh
Ohhh oh oh oh oh oh
Ohhh oh oh oh oh oh

See it's not that easy
I'm gonna keep you just like a secret
I got some problems to work out I need to
But it's not that easy
See it's not that easy
I'm gonna keep you just like a secret
I got some problems to work out I need to
But it's not that easy
