

## Day One

Juice WRLD

Bitch, I'm in Greece like Zeus  
Uh-huh (Ayy, KBeaZy, you fye'd up), yeah

Raf Simmons on shoe, Margiela on my shoe  
Murakami on my shoe  
One-of-one, these are not for you  
Too high, can't talk to you (Let's go, let's go)  
To all my ex's that wanna be friends  
Boo-thing lame, cause I'm not them  
You see me walkin' around in your rent  
In this Burberry poncho, it look like a tent  
Audemar on my wrist I'ma ball on a bitch  
Spend it all on my bitch ass (cake)  
Nah, I'm lyin', I ain't spend it all cause I'm rich  
I be handlin' my business (hooray)

In the studio all night long  
Want the ooh-nah-nah when I get home  
Ooh, yeah, hold me close, you got that good  
You make me feel rich even if I was broke (That's all on the hood)  
And you understand me I ain't have to show you the ropes (so misunderstood)

Ayy, I love daily trips to the bank  
I sit in the passenger seat while you drive, you hate when I drive and I drink  
Cut one of my day one niggas off so I wanna listen to Drake  
Talkin' 'bout that thank me later, how the fame'll make 'em change  
I'm done doin' niggas favors  
I'm just focused on collectin' paper and lovin' my baby and startin' a label  
Gotta watch who you let grab a seat and a plate  
They can't eat, ain't no fakes at the table  
Gotta cut 'em off, give 'em the razor  
It's a shock when they switch on you, taser  
I wear that pain like a mask, Darth Vader
