Drugs, drugs, they don't slow me down (They don't slow me)
Don't, goin' down (They don't slow me)
Down, down, down (Ah, woo)

Drugs, drugs, drugs, they don't slow me down
All these hoes, they don't slow me down
My problems, they don't slow me down
It's myself, yeah, I just slow me down

All these girls, they don't slow me down

For me (Me, me, me)
My bad baby

I can't help it, I can't help it
I get too high, too high for myself
It's easy to see, everyone's too fast for me (Too fast for me)
I can't help it, I can't help it
I get too high, too high for myself
It's easy to see, everyone's too fast for me (Too fast for me)

I numb myself when I take the right pills
It's easy to see, that I'm too slow for me, slow for me
I can't help it, I can't help it
If I'm not high, I don't feel myself
It's easy to see, It's taking a toll on me, toll on me
