

## Face 2 Face

Juice WRLD

Haha, Rex did it again  
Haha, yeah  
Uh  
Every time, every time  
I go to fall asleep  
Every time, I close my eyes  
Yeah

Every time I go to fall asleep  
These demons haunting me  
Face my fears, face to face as we meet  
Evil is grabbing me  
Losing my gravity  
My mind's a bloody scene  
Detached from reality (Reality)

I won't, I don't wanna, I don't want, no, I don't wanna implode  
I won't, I don't wanna, it's the end of the summer, it's starting to get cold  
If I knew all along the Midas touch  
Would expose all my wrongs, turn 'em to gold  
The ship gon' sink, can't sail no more  
I lost my receipt when I sold my soul  
I lost my seat, what do I stand for?  
The monsters of the deep, they take control (The monsters, control)  
No matter where I go, the devil always know  
To bring me down, in my dreams, he prowls

Every time I go to fall asleep  
These demons haunting me  
Face my fears, face to face as we meet  
Evil is grabbing me  
Losing my gravity  
My mind's a bloody scene  
Detached from reality (Reality)
