

Juicy

Juice WRLD

Na, na-na-na, na, na

Na, na-na-na

This song is literally my canvas, I can say whatever the fuck (Yeah)

M-M-Murda

Ayy, drownin' in the Hennessy, it feel like I'm dreamin'

They say liquor bad for me, they say I don't need it

But I'ma drink the the whole fifth this evenin'

I'ma drink the whole fifth this evenin'

Sometimes I like codeine, sometimes I like leanin'

Sometimes I like perkies, sometimes I like beamin'

But I'ma drink the whole fifth this evenin'

I'ma drink this whole fifth this evenin'

I'ma drink the whole damn fifth

Then I'ma fuck a bad ass bitch

Then I'ma take a few Xanax

So in the mornin' I might forget

Now there's some random bitch in my bed

But she says that she had a good time

Same girl keeps running through my head

I won't let you get away this time

I gotta broke heart can you fix, mine

I gotta full cup come and sip, mine

I gotta new script come and flip, mine

I won't let you get away this, time (Yeah)

Ayy, drownin' in the Hennessy, it feel like I'm dreamin'

They say liquor bad for me, they say I don't need it

But I'ma drink the the whole fifth this evenin'

I'ma drink the whole fifth this evenin'

Sometimes I like codeine, sometimes I like leanin'

Sometimes I like perkies, sometimes I like beamin'

But I'ma drink the whole fifth this evenin'

I'ma drink this whole fifth this evenin'

Ayy, drownin' in the Hennessy, it feel like I'm dreamin'

They say liquor bad for me, they say I don't need it

But I'ma drink the the whole fifth this evenin'

I'ma drink the whole fifth this evenin'

Sometimes I like codeine, sometimes I like leanin'

Sometimes I like perkies, sometimes I like beamin'

But I'ma drink the whole fifth this evenin'

I'ma drink this whole fifth this evenin'
