Yeah, I see her pretty face, every time I'm off the xans
I just may pop one, pop two, pop three, if you find another man

Midnight, midnight, midnight, midnight
Told her we gon' have a good time, good time, good time, good time

Yeah, I swear it was midnight, midnight, midnight, midnight
Told her we gon' have a good time, good time, good time, good time

Yeah, it was twelve AM when I first saw your face
I heard you was popping molly and you would be at the rave
You say when I wrap my arms around you, that you feel safe
I think all these xans finna take me up to heaven, feelin' like
a better place

I met you at midnight, midnight, boolin' in the club
You looked me in my eyes one time and knew that I was off the drugs

Midnight, midnight, midnight, midnight
Told her we gon' have a good time, good time, good time, good time

Yeah, I swear it was midnight, midnight, midnight, midnight
Told her we gon' have a good time, good time, good time, good time

I could see the stars on the ceiling, baby, 'cause we was trippin'
off the shrooms

We eatin' good, we eatin' good, I got these diamonds on my plate

I met you at midnight, midnight, boolin' in the club
