Juice WRLD

So alone

She told me she in love with the old me
But I don't love the old me
In the fourth quarter balling like Kobe
I'm super clutch just like Ginóbili
Time is money so I went and got a rollie
New girl looking like a trophy
She do the cocaine till her nose bleed (Nose bleed, nose bleed)
And she don't even know me

I've been balling while you sitting in the nose bleeds
911, I don't fuck with police
Niggas claim they know me when they don't know me
Say you a real nigga, better show me
I don't fuck with no one (Aye)
Brother locked up, told you that's that Akon
I got AKs spilling like I'm Osam, aye

Life is a picture I guess I got my hand in the frame (Hand in the frame)
I forgot to remember her name
Life is a picture and I got all my hands in the frame

She told me she in love with the old me

Remember old days when I had my heart broke
And now I'm in the stu and I love to spit dope
Brought brother in the trap and he love to fix dope
These niggas never change I could never fix broke (Fix broke)

You don't got no Adidas but I give you shell toes
I'm balling like Shaquille I'ma throw an elbow
You don't get no birds like a fucking scarecrow
