

# Rider

Juice WRLD

Uh, let's see if you a rider  
Let's see if you a rider  
(That sound clean)

Hey, let's see if you a rider for real  
I don't know if you a rider for real  
I'ma fight for your love, survival for real  
Uh huh

Uh, let's see if you a rider for real  
I really wanna see if you a rider for real  
Don't think just 'cause you grip the wheel  
Makes you a straight-up rider for real

I don't know, oh I don't know  
If I should give you the key to my soul  
I don't know, no, I don't know  
My paranoia and insecurities hold me close

Let me down asleep with my casket closed  
Nail it shut, make sure not to leave a thing exposed  
I don't know, oh I don't know  
Blonde hair don't care, please don't leave me froze

Stuffed cigarillos and Perc's keep me a hoe  
Shoulda shot it in the head, words from my bro  
But anything for romance, so I'ma risk it all  
Oh oh

Let's see if you a rider for real  
I really wanna see if you a rider for real  
Don't think just 'cause you grip the wheel  
Makes you a straight-up rider for real

I don't know, oh I don't know  
If I should give you the key to my soul  
I don't know, no, I don't know  
My paranoia and insecurities hold me close

I'm Codeine Cobain, I'm a I'ma pour a four  
I don't do cocaine but it's Perc in my nose  
I suffer from excessive road rage  
Take my life and crash it into this hoe

It don't matter, you can have my heart  
Kill me faster, what's mine is yours  
On a platter  
I watched you grab that dagger  
She's a stabber  
But is she a rider?  
Or is she poison?  
A viper?  
She gets me high, a supplier  
And I'm on fire  
Will she be my fire-fighter?

Let's see if you a rider for real

I really wanna see if you a rider for real  
Don't think just 'cause you grip the wheel  
Makes you a straight-up rider for real

I don't know, oh I don't know  
If I should give you the key to my soul  
I don't know, no, I don't know  
My paranoia and insecurities hold me close
