

## Spend It

Juice WRLD

Zaytoven  
Spend, spend it  
Spend it, yee-haw, I'm spinnin'  
Cha-ching, cha-chow, boy  
What? Perky boy

I spend it all, I spend it all  
Spend it, spend it  
Her time involved, I spend it all  
Yeah, get it  
Up early morning, ain't no sleep at all  
Get it, spend it  
Ain't no sleep involved, I just spend it all  
Spend it, cha-ching  
Told her how I feel, now I send her off  
Get it, get it  
This ain't tee-ball, big league, y'all  
Let's get it, let's get it  
Ups and downs off the percs, that's a seesaw  
Spend it  
I told her, "Howdy, come and ride it," she said, "Yee-haw"  
Get it, get it

Benjamin Franklin go when I throw money on a ho  
"Cha-ching," cha-ching  
Every day, I get to the dough, what makes the world go round?  
Cha-ching, cha-ching  
What makes the girls go down and spin like a merry-go-round?  
Cha-ching  
I count to a bigger amount  
My pockets so deep that there's fish in that bitch, if I jump in that bitch,  
I'ma drown  
Me and Zaytoven just made a sound, me and Zaytoven just made a wave  
'Bout to throw it in a fuck nigga face, don't give a fuck what a fuck nigga  
say  
Ya dig? Ya dig?  
Headshots if he in the way, I put that on my kid  
Ya dig? Ya dig?  
I pray for nights like this

Shorty wanna make my day, she gimme, gimme face  
Ya dig?  
Fuck nigga get in my way, the semi, semi spray  
What happened?  
Every day I make plays, I'm tryna make a way  
Run it, ya dig?  
Jack knife on an AK, shoot and cut away, brrah  
Gun it

I spend it all, I spend it all  
Spend it, spend it  
Her time involved, I spend it all  
Yeah, get it  
Up early morning, ain't no sleep at all  
Get it, spend it  
Ain't no sleep involved, I just spend it all  
Spend it, cha-ching

Told her how I feel, now I send her off  
Get it, get it  
This ain't tee-ball, big league, y'all  
Let's get it, let's get it  
Ups and downs off the percs, that's a seesaw  
Spend it
