Juice WRLD

You already know what the fuck I was, I was bumming in this bit
ch

Oh my God, they ain't reminiscing

Baby come here (Uh), let me kiss it

I ain't hit it in a day show you that I miss it, miss it

Baby come here, let me kiss it

I ain't hit it in a day show you that I miss it, miss it

Put them scratches on my back like you know how

We could go all night, no time outs

Pop a perky, now I'm hitting it double time, wow

Thrashing it make you tap out

Quarterback with this shit, send the play

Ain't got shit to do we could fuck all day (Ayy)

Point guard with this shit (Oh), making the play (Ayy)

Bae gonna take this dick and take my heart away (Uh)

She know I'm with the shits, toting a 'K

If someone touch her I'ma take they fucking life away

I tell her I'm with the shits damn near everyday

Just so she can know that she safe
