

# Won't Let Go

Juice WRLD

I'm in the studio with Nex and Lotti  
Oh yeah, three musketeers  
Hey baby

No such thing as too close (No such thing as too close)  
No such thing as too close (No such thing as too close)  
No such thing as too close (No such thing as too close)  
(Too close, come here)

No such thing as too close (No such thing as too close)  
No such thing as too close (No such thing as too close)  
No such thing as too close so you I'll hold  
Hold you by your soul  
I won't let go  
I won't let go  
I won't let go  
I won't let go (Go, go, oh)

You can bury me with her and if she die before me  
Kill me and carry me with her  
Know if I die before her, make sure you dyin' a widow  
Let's not walk down that road, forever's forever  
Eternally attached to her soul  
Oh, oh my God  
I thank God for her smile  
She's too fine, I'm too wild  
When I fuck, she taps out  
Let's get a house and settle down  
Let's have a child, watch him runnin' around  
I'm at my all-time high now  
You're my sunshine through life's rainclouds

No such thing as too close (No such thing as too close)  
No such thing as too close (No such thing as too close)  
No such thing as too close so you I'll hold  
You by your soul, I won't let go  
I won't let go  
I won't let go  
I won't let go (Go, go, oh)

They tell me life is a riddle,  
I found the answers on her tongue in the middle of kissing  
I swear to God she can't do wrong  
Wonderful tripping, making brash decisions  
That's what they tell me but they don't get it, can't grasp the image

Passionate, I'm past bitches, in love with a woman  
She past drippy, the Gucci slippers, Versace linens  
I'll take her out to dinner, she usually Hibachi grillin'  
Poppin' and railin' the last of the Perkies before we kick 'em

You keep me whole, my antidote  
You are my dope addicted soul  
Addictive soul, that's you my love  
Can't get enough, I need to feel your touch  
I need to feel your touch  
I can't get enough

No such thing as too close (No such thing as too close)  
No such thing as too close (No such thing as too close)  
No such thing as too close so you I'll hold  
You by your soul, I won't let go  
I won't let go  
I won't let go  
I won't let go (Go, go, oh)
