Today I'm drinkin white tomorrow brown

With yo girl I'mma spoon in the hotel room

I don't go to college but the dorm room is my domain  
Full of pretty bitches show me how they use their brain  
They sucking dick for homework, getting that dome worked  
Just to say they got with Juicy J and they did it first  
On a bean drinking dirty Sprite  
Bout to fuck that bitch raw bout to roll the dice  
Sex, drugs, rap music is that college life  
Gettin smoked out (err day) stoner's night (that's err night)

A zip and a double cup, I'm gettin' high as fuck  
I'm gettin' high as fuck, I'm gettin' high as fuck
