

## Act

Juicy J

Don't you know I got beans in my lean  
I go green, I sip all Act  
I don't want no red if it ain't Act, then don't call back  
What you know about Act? What you know about Act?  
What you know about Act? I know all about that

Pour me up a 4 and some more, I need all that  
You ain't never drank like this before, nigga fall back  
What you know about Act? What you know about Act?  
What you know about Act? I know all about that

Oh you say you got that work, oh you got some syrup  
Oh you say you got some bird, that'll you murked  
Oh you say it's for a stack, I'm a call you back  
Cause that shit-a get you wacked, if that shit ain't Act  
Load the drug up then I told my niggas get the fuck up  
Nigga hit me up like he the plug, got me fucked up  
Say that shit real but if it's fake, he getting fucked up  
If that shit real my nigga then we done loved her  
If that shit real, we charging them niggas 6 a deuce  
I'm pouring up a 4 and I need 'em so don't forget the juice  
Undercut the competition, charge them niggas 62  
Sell a hunnid pints of that shit then go get you 62's

Don't you know I got beans in my lean  
I go green, I sip all Act  
I don't want no [?] if it ain't Act, [?]  
What you know about Act? What you know about Act?  
What you know about Act? I know all about that

Pour me up a 4 and some more, I need all that  
You ain't never drank like this before, nigga fall back  
What you know about Act? What you know about Act?  
What you know about Act? I know all about that

I pull up on this nigga, he was nervous  
Nigga so scary, I'm surprised that nigga [?]  
I'm a come and get it, that's that front door service  
But I'm picky to myself that I should murk 'em  
My nigga like hold him, give him a chance  
He made us come all the way for his bands  
Plus I'm tweaking and geeking off all these xans  
Here he come right now, he walking to the van  
He like always Juicy J and he a fan  
I sipped it it real slow as I shook his hand  
I'm like fuck all that groupie shit, you the man

Don't you know I got beans in my lean  
I go green, I sip all Act  
I don't want no [?] if it ain't Act, [?]  
What you know about Act? What you know about Act?  
What you know about Act? I know all about that

Pour me up a 4 and some more, I need all that  
You ain't never drank like this before, nigga fall back  
What you know about Act? What you know about Act?  
What you know about Act? I know all about that
