

## Cut Back

Juicy J

Tryna get my life together, mane  
Life is short  
Enjoy it  
You are now about to witness the strength of street knowledge

I'm tryna cut back on pills and drank  
Wonderin' what my children think  
I'm tryna cut back on lean and dope  
Leaned so hard, can't lean no more  
I'm tryna cut back on Perc' and Xans  
Never been a perfect man  
Fight it back and take control  
Or just let it take its toll

I'm high, confused, pre-rolls, infused  
I see why they say "say no to drugs" in school  
I took, I choose, the pinks, the blues  
Misuse, abuse, inhale the fumes  
It's hard to quit, this ecstasy and shit  
What's best for me is chasin' goals and Xin' them off my list  
The tabs, the shrooms, no girls, no tomb  
Don't snort dust, no short bus if you in tune  
Ain't no sense in holdin' on to a bad habit  
Just to create another bad habit, do the mathematics  
I'd just rather be a cash addict, hit my stash and stack it  
I ain't tryna be no crash dummy, fuck it, you can have it, nigga

I'm tryna cut back on pills and drank  
Wonderin' what my children think  
I'm tryna cut back on lean and dope  
Leaned so hard, can't lean no more  
I'm tryna cut back on Perc' and Xans  
Never been a perfect man  
Fight it back and take control  
Or just let it take its toll  
I'm tryna cut back on pills and drank  
Wonderin' what my children think  
I'm tryna cut back on lean and dope  
Leaned so hard, can't lean no more  
I'm tryna cut back on Perc' and Xans  
Never been a perfect man  
Fight it back and take control  
Or just let it take its toll

I've been gettin' high too much, pourin' up a four in cup  
Thinkin' I should let it go, no way I can self destruct  
Substance got me fightin' demons, feelin' like I need a pill  
Perkies had me rollin', almost crashed, I had to catch the wheel  
Wasted but I need this money so I'm more patient  
Them IVs had me OD cuttin' hospital bracelets  
Knowin' I should stop is some shit that I've been used to  
I can't let it beat me, angel said it might abuse you

I'm tryna cut back on pills and drank  
Wonderin' what my children think  
I'm tryna cut back on lean and dope  
Leaned so hard, can't lean no more

I'm tryna cut back on Perc' and Xans  
Never been a perfect man  
Fight it back and take control  
Or just let it take its toll  
I'm tryna cut back on pills and drank  
Wonderin' what my children think  
I'm tryna cut back on lean and dope  
Leaned so hard, can't lean no more  
I'm tryna cut back on Perc' and Xans  
Never been a perfect man  
Fight it back and take control  
Or just let it take its toll
