

Desperate Measures

Juicy J

Under pressure, under pressure, we resort to desperate measures
Why you think we scrape the bowl? Tryna get out all the extras
Under pressure, under pressure, go retarded like I'm special
Big bankroll, nothin' lesser, under the pillow, fuck the dresser

Under pressure, under pressure, we resort to desperate measures
Why you think we scrape the bowl? Tryna get out all the extras
Under pressure, under pressure, go retarded like I'm special
Big bankroll, nothin' lesser, under the pillow, fuck the dresser
(Yeah)

When I drive, I'm in my mirrors, I don't let no car get near us
Paranoid, high anxiety, I know shit get serious
Under pressure, them in tears, cryin' out, but who gon' hear it
?

Under pressure, police don't protect us, we the ones they fear
Gotta go when shit get weird, I get ghost, I disappear
Soon as you think it's that, I'm at PreCheck gettin' Cleared
Police cameras on the block, under pressure from the cops
You ain't even gotta be doin' shit, they just wanna watch
Put some pressure on your trigger finger when it's on the Glock
Under pressure, I need a head wringer, come give me some top
Under pressure to buy this watch, Richard Millie out the box
Blew it on some stupid shit, now you ain't got no dough for Ox

Yo

I gotta get the fuck outta here
You know what I'm sayin'? I ain't got no dough for Ox
Shit, you gotta tell Kisha what's up for me, dog

Under pressure, under pressure, we resort to desperate measures
Why you think we scrape the bowl? Tryna get out all the extras
Under pressure, under pressure, go retarded like I'm special
Big bankroll, nothin' lesser, under the pillow, fuck the dresser

Under pressure, under pressure, we resort to desperate measures
Why you think we scrape the bowl? Tryna get out all the extras
Under pressure, under pressure, go retarded like I'm special
Big bankroll, nothin' lesser, under the pillow, fuck the dresser
