

# Don't

Juicy J

I realize, I am the hopeful black woman who was denied her right to vote  
I am the caring white supporter killed on the front lines of freedom  
I am the unarmed black kid who maybe needed a hand, but instead was given a bullet  
I am the two fallen police officers murdered in the line of duty  
We look to the future and we want to create a better world  
Now is the time to change the world

God bless America, home of the brave  
We ain't picking cotton no more but we're still slaves  
They talk about peace, but how that's gon' be  
When police leaving young niggas dead in the street  
When niggas start shooting back, how they gon' act  
And they wonder why a nigga stay strapped  
They wonder why we trap, for real, real niggas don't rat  
Black man, born with a target on his back  
Standing with his hands up, screaming "Don't shoot!"  
Biggest gang in America, the boys in blue  
Now we gon' ride, now we gon' loot  
Cause that black man could have been me or you

Don't shoot!  
Don't shoot!  
Don't shoot!  
Don't shoot!  
Don't shoot!

Fuck the police, like Cube & Eazy-E  
A nigga pay taxes and still ain't free  
We just trying to get rich and ball out  
Looks like the pigs trying to take us all out  
We don't get justice, we just get handcuffed  
They don't want to see a nigga get his bands up  
Crooked judge just handing out sentences  
Cause we're guilty until proven innocent  
Standing with our hands up, screaming "Don't shoot!"  
Biggest gang in America, the boys in blue  
Damn right we gon' ride and we gon' loot  
Cause that black man could have been close to you
