

# Flood Out The Club

Juicy J

Racks full of water, when we hit the club, we gonna  
make it rain  
Till the club flood,  
D boys popping bud, doing plenty drugs  
When we hit the club, show the strippers love  
Flood out the club, show the strippers love  
Flood out the club, show the strippers love  
Flood out the club, show the strippers love  
Show the strippers love, show the strippers love,

Own shop with a nigger, Juicy is the club  
Mansion in the Holly hills, chinchilla rug  
Flashy everywhere I go, louie to the toe  
And when I'm done fucking all these hoes  
I show them to the door  
You can call me Saint Tropez cause I sure know how to  
throw  
Money on that ass, when she grinding on the floor  
White chick on my left, black on my right  
Getting the... watch them shake that ass like dice  
Zip lock, bag of kush and a double cup  
2 bitches on my dick, I get double sucked  
I'm like genuine I need that pony ride  
And when I'm done smashing that chick  
I toss her to my guy

Racks full of water, when we hit the club, we gonna  
make it rain  
Till the club flood,  
D boys popping bud, doing plenty drugs  
When we hit the club, show the strippers love  
Flood out the club, show the strippers love  
Flood out the club, show the strippers love  
Flood out the club, show the strippers love  
Show the strippers love, show the strippers love,

Put it to the club, Juice picks up in that phantom  
... make it happen in Atlanta  
Just turned 18, and I'm bout to spend this green  
... these hoes rolling with the team  
Juicy gave me some racks, throwing right on her ass  
Bang on me so fast, and I never give you a pass  
Damn girl you're crazy, you dancing like it's your last  
Next day dream about that day, I was sleeping up in  
class  
Last time I checked... just cashed that check  
Gave my niggers some this time  
We made enough, you made it up, L.A. girls gonna lay  
with us  
They down to roll, down to suck, cause these niggers  
that's making bucks...  
She love the niggers from the west side...
