Juicy J

Take the blunt, dip it in the lean, then light it  
Pop a Molly, drink some orange juice, get higher

Juicy J be throwed  
Body movement slow  
All a nigga do is sip lean and fuck hoes  
Smoking with a queen  
And she popped a bean  
Call my niggas over, and let her fuck the team  
And I'm taking drags  
From the volcano bag  
Pop off a couple of Mollies, reaching for the hash  
I'm so fucked up, playing PS3  
I'm bout to start a fire, Juicy J TNT  
Mansion in Tennessee  
Drinking on Hennessy  
And my crib in Cali look like a dispensary  
Toss that roach, where the lighter  
Kief in the blunt, nigga get higher

Trippy as a fool, I got that double cup addiction  
All these pills I'm popping, I'm in the water like I'm  
fishing  
Two foreign bitches  
And I got 'em kissing  
Marijuana ménage à trois, nigga that's the mission  
Sippin' on some sizzurp  
Swisher full of pizzurp  
Molly got the white girls going straight berserk  
Styrofoam cup, nigga this ain't no Icee  
I put hash on top of the weed like motherfucking icing  
Can't no nigga do like me  
This Bubble Kush, no licence  
Copped a whole pound, this trippy life enticing  
Your main bitch my groupie, I see why you don't like me  
I put Molly on the tounge, of any nigga wifey
