

## Let's Go

Juicy J

Shawty thick as gumbo, ass sittin' on jumbo  
Head or some pussy? Bitch, I want the combo  
Before I put my dick in, strap up like Rambo  
Bend that shit over, girl, I can see your camel  
Her friends screaming "Let's go"  
Bustin' like it's Metro  
Baby daddy meanmugging, hot like espresso  
Assume the position, grab on the pillow  
I can make your bed rock, hands on that [?]

Come in, shawty, let me borrow your pussy for tonight  
I'ma treat it right, I promise not to bite  
I'ma beat it up, baby, fuck being polite  
Beefing with that pussy so you know it's on sight  
Get to work, she gon' suck it 'til she burp  
Know she got good head, she got a counterfeit purse  
Your nigga want the smoke with me, I know why he mad  
Bitches with two baby daddies got the best cat  
King of the jungle, let your pussy come and attack me  
Love it when they got them tiger stripes on their ass cheeks  
All that ass bustin' out your pants like it's finna pop  
She gon' suck a nigga out his socks on them lemon drops

Shawty thick as gumbo, ass sittin' on jumbo  
Head or some pussy? Bitch, I want the combo  
Before I put my dick in, strap up like Rambo  
Bend that shit over, girl, I can see your camel  
Her friends screaming "Let's go"  
Bustin' like it's Metro  
Baby daddy meanmugging, hot like espresso  
Assume the position, grab on the pillow  
I can make your bed rock, hands on that [?]

Redbone, love her skin tone  
Bendin' over, let them legs go where her head go  
Bust it open, make it spread, that's what all this bread for  
Told her she my little soldier, she yeling Ten Four  
Like a nigga in the stands, I be throwing bands out  
Bring a briefcase from the back, another couple grand out  
See my chain soon as I walk in so a nigga stand out  
Let the person that she came with told me I'm her man now  
She went to Google for my name and fanned out  
This shit ain't random, everything is planned out  
And they almost ran out, I'm on some rich shit  
Pockets stickin' out, I want some thick shit

Shawty thick as gumbo, ass sittin' on jumbo (Hahaha)  
Head or some pussy? (Uh) Bitch, I want the combo  
Before I put my dick in (For real), strap up like Rambo  
Bend that shit over, girl, I can see your camel  
Her friends screaming "Let's go"  
Bustin' like it's Metro (Uh)  
Baby daddy meanmugging, hot like espresso (What)  
Assume the position, grab on the pillow (What)  
I can make your bed rock, hands on that [?]
