

Niggaz Got Problems

Juicy J

If you niggas got problems
Say it to my face, to my face
Say it to my face
If you niggas got problems
Say it to my face
If its beef up in the streets then
I ain' scared to catch a case

If you niggas got problems
Say it to my face, to my face
Say it to my face
If you niggas got problems
Say it to my face
If its beef up in the streets then
I ain' scared to catch a case

Go get your gorillas
I'm bringin' the zoo
You can bring yo choppas
We bringin bazooks
I mob with real niggas I know that's gon' shoot
I ain't worried bout you pussies
You just ain't the truth
You niggas need to kill yo'self
Actin like you hard
If they get caught
They won't take they charges
They say they got these houses
But live in apartments
You ain't got no money bitch
You just wanna bargain

If you niggas got problems
Say it to my face, to my face
Say it to my face
If you niggas got problems
Say it to my face
If its beef up in the streets then
I ain' scared to catch a case

If you niggas got problems
Say it to my face, to my face
Say it to my face
If you niggas got problems
Say it to my face
If its beef up in the streets then
I ain' scared to catch a case

Fuck yo beef I go ham
I pull back then I... (gun shot)
Cause' my guys that's gon' dump yo body in a river man
I ain't playin' with you hoes
Keep that AK in my Rolls
Ain't a nigga I can't name
With some powder and it go
They be ready to go to war
Leave some bodies on the floor

Yea we still tear up clubs but we crash 'em even more
(Tear da club up nigga, tear da club up)
(Tear da club up nigga, tear da club up)

If you niggas got problems
Say it to my face, to my face
Say it to my face
If you niggas got problems
Say it to my face
If its beef up in the streets then
I ain' scared to catch a case
