

## Serenity

Juicy J

God, grant me the serenity  
To accept the things I cannot change  
The courage to change the things I can  
And the wisdom to know the difference

Say goodbye, bye to Hollywood, lifestyle wasn't that good  
Say goodbye to the fairytale you know very well  
Say goodbye to the fantasy, God got a plan for me  
Say goodbye to this crazy shit, I need my sanity  
Say goodbye, bye to Hollywood, lifestyle wasn't that good  
Say goodbye to the fairytale you know very well  
Say goodbye to the fantasy, God got a plan for me  
Say goodbye to this crazy shit, I need my sanity

I came here with it all, feel like I left with nothin'  
No problems get resolved, just take a different substance  
My arrogance so long, it's quick to end discussions  
I turned into my grandpa, mad and always fussin'  
I took every plaque I earned, some gasoline, and burnt it  
And before you judge me, just know at least I earned it  
No coincidence, certain women come around on purpose  
Puttin' up my fist, takin' hits, all this shit ain't worth it  
Follow my intuition, I'm gon' leave, get back on my mission  
Feel like a weight was lifted, we gon' be straight this Christmas  
And you gotta give thanks this 'Giving, not everybody make this milli  
ons  
Thought I couldn't escape my building, now I'm hidden in the hills  
Pay attention, 'cause it's real, pay tuition, pay the bills  
Pay for the life insurance too, these women'll life insurance you  
The media be Kanye-in' you, rich niggas be goin' through it too  
Man  
Rich niggas be goin' through it too

Say goodbye, bye to Hollywood, lifestyle wasn't that good  
Say goodbye to the fairytale you know very well  
Say goodbye to the fantasy, God got a plan for me  
Say goodbye to this crazy shit, I need my sanity  
Say goodbye, bye to Hollywood, lifestyle wasn't that good  
Say goodbye to the fairytale you know very well  
Say goodbye to the fantasy, God got a plan for me  
Say goodbye to this crazy shit, I need my sanity

We gotta come like we get down and dirty for our figures  
We gotta come like we be quick to pull back on some triggers  
We gotta come, you know that devil shit is still up in us  
We mafia niggas, we mafia niggas  
We gotta come like we get down and dirty for our figures  
We gotta come like we be quick to pull back on some triggers  
We gotta come, you know that devil shit is still up in us  
We mafia niggas
