

Still Hustlin'

Juicy J

Bullet holes leakin', beeper ain't beepin,
Four five in my drawrs, got a nigga leanin
Juicy J beastin and my four five singing
When that hoe go off a niggas ears be ringing.
Gangsta nigga doing gangsta shit,
She'll set a nigga up, that's right, I got a gangsta bitch.
My young niggas starving and you love it like a bargain
Shooting at the range and you look like the target
You was turned up, now you dearly departed.
I circle through your hood with my dog's choppas barkin.
The nigga ain't hard, these pussy niggas flexin
Ran to the car when I pulled out my weapon.
If you snitch you gotta die, if you smoke you gotta buy,
If they arrest your ass you gotta lie.
Need anything I got a guy (dope man)
20 years in the game and I'm still winning
Wasting money rolling weed and I'm still sippin.

I'm very in the game and I'm still gettin it,
Broke up with my ex and I'm still hit it.
A nigga play with me, that stainless steel bussin'
I'm a hustler 'till I die, nigga, I'm still hustlin'.
I'm very in the game and I'm still gettin it,
Broke up with my ex and I'm still hit it.
A nigga play with me, that stainless steel bussin'
I'm a hustler 'till I die, nigga, I'm still hustlin'.

County jail, fourth floor, robbery charge, beat a fuck,
HCI Memphis in the hoe, for the firearms
Project born, hood raised, shot niggas in the face,
2001, tried to book me on a murder case
Seen so many prison bars, that's why I got bars.
Depression had me on them bars, I stay on Mars.
Got my money out the suitcase, so that means is dirty
Police patrol at 7 a.m. so we hustle early,
'cause the early bird gonna get the worm
Play with my bread, choppa spray you like a [?]
Kidnap and murk, niggas over drug dealin
First 48, you see them scary ass niggers squealing.

I'm very in the game and I'm still gettin it,
Broke up with my ex and I'm still hit it.
A nigga play with me, that stainless steel bussin'
I'm a hustler 'till I die, nigga, I'm still hustlin'.
I'm very in the game and I'm still gettin it,
Broke up with my ex and I'm still hit it.
A nigga play with me, that stainless steel bussin'
I'm a hustler 'till I die, nigga, I'm still hustlin'.
