Still poppin' bottles, still gettin' high  
That's cuz I know, I know, I know you watchin'  
I know, I know, I know you watchin'

Silly bitch, stop tellin' 'em lies, hoes, stop spittin' 'em rumours  
Juicy J, self made skinny nigga, pockets on Yokozuna  
She wanna ride like Yokohomas, she fine like Pocahontas

She got the nerve to be boochie too? man, all these hoes do is gossip  
Who'd you fuck for the red bottoms? I heard about you, you a head doctor  
You just lookin' for a quick come up? I can feel it in the air like Phil Collins

Niggas hatin' on me, what's the problem?  
Is you mad cuz I run shit and y'all jogging  
Is you mad, cuz I shake and bake Ricky Bobby  
I'm a muthafuckin' [?]  
Comin' from a cut like a blind barber  
When I drive by, my car look like a flyin' saucer  
Still don't want your lady? She lucky if she even get a dime off me  
It's crazy what my last 5G cost me  
Sip lean in the mornin', never tried coffee  
Fuck her once, kick her out, bitch, start walkin'  
Gettin' paid in the bed like it's my office, that's cuz I'm

And I'm still gettin' money, still ridin' fly  
Still poppin' bottles, still gettin' high  
I say I'm still gettin' money, still ridin' fly  
Still poppin' bottles, still gettin' high  
That's cuz I know, I know, I know you watchin'  
I know, I know, I know you watchin'
