

# Super Fire

Juicy J

Drippy lean, pouring high, burning green, super fire  
I got that super fire, I got that super fire  
Drippy lean, pouring high, burning green, super fire  
I got that super fire, I got that super fire  
Drippy lean, pouring high, burning green, super fire  
I got that super fire, I got that super fire  
Drippy lean, pouring high, burning green, super fire  
I got that super fire, I got that super fire

Rolling through my old hood, old school Chevrolet  
Sobic Tiece and his momma had to get a plate  
Running to my old hoe from back in the day  
Made a nigga reminisce, now I miss that phase  
Put a Chevy to the classic, why they tell [?]  
See my nigga from the hood, I throw 'em some paper  
What a great day in Memphis, proud to be a G

Getting ready for the show later on, got a suite at the Medicine, bad bitch  
come through  
Got a shortclub rain, I'm a make it rain, strippers go nuts when they see Ju  
ice  
I'm a throw [?] had to regroup  
I be at [?] I never see you  
Every girl stripper named candy, God damn it, tell 'em I got a sweet tooth

Drippy lean, pouring high, burning green, super fire  
I got that super fire, I got that super fire  
Drippy lean, pouring high, burning green, super fire  
I got that super fire, I got that super fire  
Drippy lean, pouring high, burning green, super fire  
I got that super fire, I got that super fire  
Drippy lean, pouring high, burning green, super fire  
I got that super fire, I got that super fire

Came a long way from public housing to a house on the mountains  
Now I got a chef chaffeaur and an accountant, I'm fly as a falcon  
Back then we used to ride spinners, I bought the [?] every winter  
Never ride classics, paint just splashing, never even got tint on the window  
s  
A zip and a double cup, don't mind me, I'm bout to juice up  
Pour out some drank for Lord Infamous  
Pour a lil more for Koopsta  
Feasting on all this cake, who would known I'd ball one day  
All day long, get stoned and faded, this check cleared every time my phone v  
ibrate  
Let's get it  
Stop by [?] 2k I picked up  
Grizzly's then hit the strip club and play with ass and  
Titties, I swear today was a good day  
Smoking on the Juicy J  
My own strain is on the way now let's get trippy

Drippy lean, pouring high, burning green, super fire  
I got that super fire, I got that super fire  
Drippy lean, pouring high, burning green, super fire  
I got that super fire, I got that super fire  
Drippy lean, pouring high, burning green, super fire

I got that super fire, I got that super fire  
Drippy lean, pouring high, burning green, super fire  
I got that super fire, I got that super fire
