

# That What A Pimp Does

Juicy J

Shut the fuck up

I'm always stayin' doug on these hoes (That's what a pimp does)  
Chevy thing with Lamborghini doors (That's what a pimp does)  
Diamonds to the toes, wrist froze (That's what a pimp does)  
Can't duplicate the swagger, I'm too cold (That's what a pimp does)

Eeny-meeny Lamborghini, car for the week  
Next week, it's the Beamy, or might ride in the snow, white Chevy  
Peanut butter guts that's extra creamy  
Everybody toss how we floss in the club  
Throwin' off Franklins, tip 'em with dubs  
All these boys got mattress money, never had a check that was stacked to a s  
tud  
Poppin' them bottles, drinks on me  
Eighteen bottles, eighteen freaks  
Medical marijuana in the air  
I ain't satisfied 'til I smoke me a P  
Smoke me a P  
Drank me a P  
P for Patron, make you fall to your knees  
Wash it down with a beer, make you tipsy  
Wylin' in the club, now freeze

See a young nigga posted in the trap  
Nigga, I'm a pimp, so accept the facts  
And a part time dope boy, fuck some rap  
Only deal in cash, I don't fuck with tax  
Fool, I'm the truth, you can check my stats  
Fuck only bad hoes from the back  
And a big bitch, I was drunk off Jack  
Got chewed up, t-bagged the sack  
If you know a freak and you wanna toss  
Quit playin' games, let's break the law  
Let's go serve at the government, dawg  
All politicians wanna fuck 'em raw  
Pay a lil' more, you can have the broad  
Pay a lil' less and I'ma have your jaw  
Just like a war, this a shock and all  
Just like a movie, you can call us all  
But I gotta get paid  
Or you get sprayed  
I ain't sell lemonade  
I'm sellin' lemons lay

I'm Mister Don't Play  
Hustlin' all day  
Watchin' my money rise just like a soufflé

I'm always stayin'  
Always stayin'  
Always stayin'  
Always stayin'  
Always stayin'  
Always stayin'
